## GAJOUM

Carnet des Arts subscribers can now book the signing and enhancement of a Kal Gajoum giclee to happen in the gallery during the month of April 2012.

We will have four works in the format 30x40 inches (2820\$/each/ artist proof serie) and two 36x48-inch format(3540\$/ each/ artist proof serie).

Each piece is mounted on a double-thick sub-frame, with painted sides, so you do not need to frame them! We will have two giclees in Quebec, two in Baie-St-Paul, and two in Toronto.

## Exhibition MELAN / SIMARD

July 5 to August 5, 2012, the exhibition "Urbanity" by Melan and Melanie Simard will be held in l'Espace-Galerie B8, 49 rue St-Pierre (Quebec).

One artist, two signatures, two different and complementary styles.

You will also discover a whole new Simard style, in a process combining both the "Street Art" and "Pop Art".

By making a request via email, subscribers of Carnet des Arts will be allowed "Premier Access" to works created for this exhibition from June 25, 2012, so you can view and purchase artworks before other collectors.

## RECYCLING: B3R

In an ongoing effort to reduce our environmental impact, we would like to introduce you to our program: B3R (for Beauchamp: reuse, reduce and recycle).

We try to maximize the reuse of cardboard boxes and wood, foam and bubble wrap for all of our packaging and shipping.

These products often have little recycling options, but find another life in our continuous packaging and shipping cycle.

A step closer to a greener planet.
