

Online Art Diary

It is never an easy task to sum up an entire year in several paragraphs, especially when the year was as busy as 2009... However, as a commemorative of this past year, here are some of the major events that took place during 2009' at the Beauchamp Art Galleries...

New gallery, new artists!

Remember both of these names for they both have got people talking!!!! During the Xmas season, there is also a contest where the regular customers can win a painting. The new Beauchamp Gallery in Quebec City: "Espace Galerie B8"

In 2009, the Beauchamp Family members were busy with the opening of two other Beauchamp Art Galleries. On the 7th of November, the night of Joelle Blouin's Private View, the Beauchamp Family announced the official opening of their new Art Gallery named 'Espace Galerie B8' located at 49, rue St-Pierre. Besides exhibiting beautiful art work, as night falls, this Art Gallery will also be transformed into a site where Private Views will occasionally take place. **Espace Galerie B8** will distinguish itself from the other Art Galleries as being "The Reference" for art collectors to lounge in and appreciate the talent of select artists from the Beauchamp repertoire.

To be part of these "Happenings" visit the blog at www.galeriebeauchamp.com and stay informed. With the cold season quickly settling in, add colour and warmth to those long winter months.

Do not miss the flavourful evenings at the **Espace Galerie B8** guaranteed to be sultry, sassy, and sexy!!!

Moreover, the **9th Beauchamp Art Gallery** will be opening its doors to the public in **Toronto** on the 6th of Jan. 2010. With the success of the other 8 galleries, this one will surely be a gem. Located right in the heart of downtown Toronto, at 55 Simcoe Street.

The Beauchamp Family would like to take a moment to thank all of their loyal customers... The energy the family members and the team put into the Beauchamp Art Galleries is a direct result of the interest the customers have towards the art exhibited in the various Beauchamp Art Galleries. It is encouraging to notice how the admiration for art created by Quebec artists is now worldwide. So much talent lies within this community, it is comforting to know that people like the Beauchamp Family enable artists to become known on an international level. A Merry Xmas to all and a Happy New Year!

**Keep in touch, 2010 will be just as grand
and memorable as 2009 turned out to be!**
